

Summer 2018 Swim Schedule

Swim Stars vs Swim Kids?

Swim Stars (Choose Swim Stars if your child is aged 3 years to kindergarten*)

Preschoolers love taking Water Wonders Swim Lessons! Our classes are taught in a gentle, yet progressive environment with a focus on teaching excellent swimming skills. Learning to swim is a critical skill for every preschooler - it is also an essential life skill that when taught well, can open the door to many years of fun and enjoyment.

Swim Kids (Choose Swim Kids if your child is 1st grade or older)

From the beginner to the advanced swimmer, your Swim Kid will develop new skills and a love of swimming. Our results oriented curriculum has been designed around the best concepts that USA Swim and Red Cross have to offer. We pride ourselves on making learning to swim fun.
